WEB SITE DEVELOPMENT

We been spread a bit thin but we are still working toward launching the web site soon! As volunteers are working on this, it is taking somewhat longer than we hoped. We will be moving the Guardian Profiles to the web site and we will also be developing a resource page for the web site.

WASHINGTON CONNECTION

Created by DSHS in December 2010, Washington Connection provides information about a wide variety of services and offers customers the online option to apply for and renew services such as food, cash, childcare, long-term care, and assistance for people with disabilities.

The “See If I Qualify” pre-screening feature not only shows the customers what services they may be eligible for, it also displays many agencies’ websites where the customers can apply for additional services, such as employment, education and training programs.

Through continuous enhancements, more information becomes available on the “Find Services” page. Sixteen categories of services include those offered by non-profits, Tribes, and different types of government agencies.

Washington Connection also provides tools and resources for community partners that can help their customers apply for and renew benefits online. These tools include the online registration, secure Partner Account, and “Client Search” feature. Resources available for partners include online tutorials, training webinars, marketing materials, newsletters, and consultations.

For those who are receiving services from DSHS or Health Care Authority, another feature called “Client Benefit Account” gives them the ability to monitor their benefit history, renew services, or update information online. This reduces the need for them to call or visit the office.

Washington Connection continues to build partnerships with other agencies in community outreach. The goal is to make services available to those in need so they can thrive in their communities. Please encourage your customers to visit Washington Connection today: www.washingtonconnections.org.

CRISIS STABILIZATION (KING COUNTY)

One of the goals of the Guardian Institute is to provide resources to lay and professional guardians.

A mental health agency in King County has offered a free consultation for any guardianship client in King County referred through the Guardian Institute. Any lay or Certified Professional Guardian interested in this service can contact the Guardian Institute through Bridge Builders, Ltd by calling (360) 683-8334 or emailing info@bridgebldrs.com. The Guardian Institute will arrange to connect you with the agency.

ASSISTANCE RECIPIENTS

Client A0003—Clallam County

Loan awarded: \$3,000.00

Amount Expended: 1,365.70

[Update] Client A0003 is on Medicaid and has a house, full of furniture and other items that have no resale value, that needs to be sold. The realtor that will be the real estate listing agent has agreed to arrange for the electricity to be turned back on so that the client doesn't have to pay a deposit. The amount used of the approved amount will be re-paid to the Guardian Institute at the closing of the house sale so that these funds will be available to other Guardians for this purpose. **UPDATE: The house closed but because of a mortgage and other court-approved fees, the price was too low for the Guardian Institute to be paid back. That's a risk that the Guardian Institute is willing to take.**

Client A0004—Skagit County

Mini-grant awarded: \$2,400.00

Amount Expended: 0

Client A0004 is 23 years old with cognitive and medical conditions and not a US citizen. She currently lives in an Adult Family Home. The guardianship is funded through the Public Guardianship Program. She currently does not qualify for SSI or DDA services because she is not a US citizen. The guardian is working with an immigration attorney with the goal of getting her citizenship. She can work but needs a job coach and the job coach funding ran out. The Guardian Institute has approved a \$2,400.00 grant that will cover one-month of job coaching. While the guardian will try to recruit volunteers to help defray the cost but depending on the job she gets, this may or may not be possible. This client needs to be able to work at least until she can qualify for SSI or DDA or both. **The Guardian Institute does not have the funds available to commit to more than the initial month at this time.**

Additional donations are needed for continued job coaching.

Client A0005—Clallam County

Low-income loan awarded: \$2,200.00

Amount Expended: \$2,853.73

Client A0005 is currently in a skilled nursing facility and unable to return home. He owns a home, which is in deplorable condition. The funds were provided to get the place cleared out and additional funds were approved as the dump fees were higher than expected. The first offer fell through but there is now a new offer that we hope will go through.

If you are interested in donating to support these clients, please send a check to:
