## WEB SITE DEVELOPMENT

We been spread a bit thin but we are still working toward launching the web site soon! As volunteers are working on this, it is taking somewhat longer than we hoped. We will be moving the Guardian Profiles to the web site and we will also be developing a resource page for the web site and moving the following to it.

## WASHINGTON CONNECTION

Created by DSHS in December 2010, [Washington Connection](#) provides information about a wide variety of services and offers customers the [online option to apply](#) for and renew services such as food, cash, childcare, long-term care, and assistance for people with disabilities.

The “[See If I Qualify](#)” pre-screening feature not only shows the customers what services they may be eligible for, it also displays many agencies’ websites where the customers can apply for additional services, such as employment, education and training programs.

Through continuous enhancements, more information becomes available on the “[Find Services](#)” page. Sixteen categories of services include those offered by non-profits, Tribes, and different types of government agencies.

Washington Connection also provides tools and resources for community partners that can help their customers apply for and renew benefits online. These tools include the [online registration](#), secure Partner Account, and “Client Search” feature. Resources available for partners include online tutorials, training webinars, marketing materials, newsletters, and consultations.

For those who are receiving services from DSHS or Health Care Authority, another feature called “Client Benefit Account” gives them the ability to monitor their benefit history, renew services, or update information online. This reduces the need for them to call or visit the office.

Washington Connection continues to build partnerships with other agencies in community outreach. The goal is to make services available to those in need so they can thrive in their communities. Please encourage your customers to visit Washington Connection today: [www.washingtonconnection.org](http://www.washingtonconnection.org).

**Thank you, Alice for providing this information. the English and Spanish “How Do I?” flyers are provided at the end of this newsletter.**

## CRISIS STABILIZATION (KING COUNTY)

One of the goals of the Guardian Institute is to provide resources to lay and professional guardians.

A mental health agency in King County has offered a [free](#) consultation for any guardianship client in King County referred through the Guardian Institute. Any lay or Certified Professional Guardian interested in this service can contact the Guardian Institute through Bridge Builders, Ltd by calling (360) 683-8334 or emailing [info@bridgebldrs.com](mailto:info@bridgebldrs.com). The Guardian Institute will arrange to connect you with the agency.

## ASSISTANCE RECIPIENTS

*Client A0004—Skagit County*

*Mini-grant awarded: \$2,400.00*

*Amount Expended: 0*

Client A0004 is 23 years old with cognitive and medical conditions and not a US citizen. She currently lives in an Adult Family Home. The guardianship is funded through the Public Guardianship Program. She currently does not qualify for SSI or DDA services because she is not a US citizen. The guardian is working with an immigration attorney with the goal of getting her citizenship. She can work but needs a job coach and the job coach funding ran out. The Guardian Institute has approved a \$2,400.00 grant that will cover one-month of job coaching. While the guardian will try to recruit volunteers to help defray the cost but depending on the job she gets, this may or may not be possible. This client needs to be able to work at least until she can qualify for SSI or DDA or both. *The Guardian Institute does not have the funds available to commit to more than the initial month at this time. There has been some delay in starting the job coaching. The CPG has negotiated a lower hourly rate. If for some reason this plan cannot be implemented, the GI Board has approved using the funds for other needs the client might have.*

*Additional donations are needed for continued job coaching.*

**If you want to apply for a mini-grant or short-term loan on behalf of a guardianship client, please contact the Guardian Institute at [info@bridgebldrs.com](mailto:info@bridgebldrs.com). The Guardian Institute is willing to consider other financial requests as well.**

**If you are interested in donating to support these clients, please see the donation form in this newsletter or contact the Guardian Institute at [info@bridgebldrs.com](mailto:info@bridgebldrs.com)**

## CLALLAM COUNTY IS LOOKING FOR VOLUNTEER GUARDIAN ADVOCATES

There is a great need for guardians for our most vulnerable population. The Guardian Institute is looking for volunteers for the Volunteer Guardian Advocate pilot program, starting immediately. The time requirement is an average of five (5) hours each month and each volunteer is asked to commit for 3-years with optional renewal. A Volunteer Guardian Advocate is NOT a caregiver. A Volunteer Guardian Advocate is to advocate for their client's needs and appropriate wants, ensure the client is getting the benefit of all the resources he/she qualified for, assist the client with making medical decisions or make medical decisions on the client's behalf if the client cannot do so.

### **Basic Requirements:**

- Be at least 18 years old
- Be of sound mind
- Have no felony convictions
- Have no misdemeanor convictions involving moral turpitude
- Be a resident of Washington State
- Have completed mandatory (online) training
- Be a person who the court finds suitable
- Commitment renewal every 3-years
- Average time needed is 5-hours monthly
- 1-2 guardianship limit per volunteer

### **The Guardian Institute will provide:**

- Arrange legal assistance as needed
- In-person training
- Provide a mentor as needed
- Assistance with Standby Guardian requirement

Contact Bridge Builders, Ltd at (360) 683-8334 or at [info@bridgebldrs.com](mailto:info@bridgebldrs.com) for more information.
